Summer 2024/5784

Student's Name

2023-2024

Grade 4

Dear Parents.

The KES Girls Division will be running an exciting summer review program in order to encourage continued Tefilla, Learning and Chesed throughout the summer. Every day that your daughter davens, does an act of *chesed* or completes/reviews some of her Summer Review packet from her *Morah*, you can initial in the appropriate box on the attached chart. When she returns to school, she will be able to earn a prize based on how many points she earned. Each signature is worth two points. By utilizing this program, your child will have a more meaningful summer IY"H, with minimum effort, retain the wealth of knowledge and skills they have acquired this year.

Incentives to encourage the children to participate are in place.

- Students who earn between 150-248 points will be able to choose a squishy ball or a pop it fidget.
- Students who earn between 250-348 points will be able to choose an art set from Paint Miami or an ice cream gift card.
- Students who complete the majority or all of the summer review packet and have earned at least 350 points will be invited to an in-school celebration!

Please avail yourself of this golden opportunity. The enhancement to your child's future learning through this program is inestimable.

Have a wonderful and productive summer!

Dear Girls,

I can't believe the year has come to an end. I loved being your teacher and am going to miss you so much. We have learned so much this year and I am so proud of all your accomplishments. Have an amazing summer! I can't wait to hear all about it next year.

Summertime provides a wonderful opportunity for well-deserved rest and relaxation. I would encourage your daughter to take advantage of our Summer Review program, the purpose of which is to maintain those skills acquired during the school year. The program reviews basic Chumash skills and encourages Kriah review by reading Tehillim.

Ideally, this review should take place throughout the entire summer. 10 minutes of review each day will help ensure your daughter enters 5th grade with confidence.

Your daughter will receive a prize for her efforts. Have a great summer!

Love,

Mrs. Kahn
