

**Yeshiva Toras Chaim Toras Emes
Klurman Elementary School
Uniform Policy 2024 - 2025**

Yeshiva uniforms must be worn every day. See below for the **uniform policy for regular school days** as well as the **official uniform day policy** (which includes the first day of Yeshiva, Rosh Chodesh, trip days and other special occasions). **The official uniform is different than the regular school day uniform policy. Please make note of the differences.**

Uniform pieces are available from the Yeshiva's Uniform Company, Clothes 'n Bows. Please call 305-947-9646 or email clothesnbows@gmail.com.

Clothes 'n Bows is located at 1410 NE 163rd Street.

You may also text, whatsapp, or call Mrs. Rubin at 954-802-0284 to make arrangements.

Special notes:

1. Please contact the uniform company as soon as possible to order your uniform pieces so they can supply all the uniforms before Yeshiva starts. When ordering in advance, they take into account growth spurts and they allow exchanges if the size ordered no longer fits (at the start of the school year).
2. Please be aware that other stores may sell what they call uniform pieces that do not meet our uniform requirements. They are not acceptable. Official uniform pieces are available only from the Yeshiva's Uniform Company, Clothes 'n Bows. Please call 305-947-9646 or email clothesnbows@gmail.com.
3. On special occasions when the children come in Shabbos clothes or costumes the same standards of the dress code apply.
4. Please make sure your child comes dressed according to the dress code, to conform with a school rule and to teach them cooperation and good citizenship.

Thank you for your continued support of school policy and promoting our yeshiva's standards.
